GENERAL PROGRAM

From 16 to 19 June 2025, ViRTEX will bring together international experts and decision-makers to explore strategies, XR simulations, and innovations in CBRNe crisis management.

Discover the future of immersive crisis management training!

ERTC Group is pleased to invite you to ViRTEX 2025, a unique event marking the inauguration of the ViRTEX Center — a state-of-the-art training facility located in Soultz-Haut-Rhin, Alsace (France).

A rich and engaging program

The ViRTEX programme embodies the excellence of high-level training solutions, combining the content development expertise of ERTC Center, the cutting-edge technology of ERTC Technologies (with the ViRTER programme), and the advanced software solutions of ERTC Studios — all within an interoperable environment bridging real and virtual training platforms.

Through the ViRTEX programme, ERTC Group is redefining the future of immersive training by equipping professionals with the skills and confidence needed to overcome today's most complex and critical challenges.

A unified, real-time exercise involving three levels of intervention

ViRTEX 2025 will, for the first time, feature a real-time unified exercise, bringing together three complementary teams: Operational Coordination Cells (OCM), Strategic Command Modules (SCM), and First Responders.

All teams will act in a synchronised manner to face a complex CBRNe crisis scenario. The entire exercise will be monitored live by expert instructors, ensuring a detailed evaluation of interactions and a fully immersive experience for all participants.

A groundbreaking training center dedicated to CBRNe crisis management

The ViRTEX Center spans over 600 m² and is fully equipped with the latest Extended Reality (XR) technologies, custom-designed crisis simulation areas, and real-time monitoring systems.

It provides a versatile training environment, suited both for large-scale emergencies and precision tactical operations.

Visits

A balance between professional standards and operational efficiency

The week-long programme has been designed to combine productivity and a welcoming atmosphere. On one side, key professional highlights shape the agenda — including the Industrial Day, Roundtable, and Closing Ceremony — offering participants the opportunity to showcase expertise, share solutions, and strengthen collaboration. On the other, hands-on training sessions will be conducted across all technical platforms (XR, VR, OCM, SCM), focusing on operational effectiveness, best practice sharing, and skills development.

Showcasing a unique setting: Alsace

As the event takes place in Alsace, a region known for its rich heritage, culture, and gastronomy, it felt natural to invite those who wish to discover its treasures through optional excursions — from visits to charming villages and the Alsace Wine Route, to tours of historic military sites.

Camaraderie and team spirit at the heart of the experience

Throughout the week, special attention will be given to fostering camaraderie and shared purpose. The Icebreaker, Gala Dinner, and Farewell Drink are all designed to strengthen bonds beyond uniforms and job titles — cultivating a spirit of fraternity among all participants.

GENERAL PROGRAM

KEY HIGHLIGHTS INCLUDED IN YOUR VIRTEX EXPERIENCE

INDUSTRIAL DAY

[Innovation in Action – Monday 16 June \(2:00 PM–6:00 PM\) and Tuesday 17 June \(8:00 AM–12:00 PM\)](#)

Discover the most advanced solutions in the sector through a dedicated day of technological demonstrations and exchanges between industry professionals, end users, and decision-makers.

Project partners will showcase their tools and systems in a dynamic format designed to foster dialogue and encourage concrete collaborations.

A must-attend event to stay at the forefront and explore potential synergies.

VISIT OF THE VIRTEX CENTER

[Behind the scenes of tomorrow's simulation – Monday 16 June \(2:00 PM–6:00 PM\)](#)

Step inside the brand-new VIRTEX Center, designed to host the most demanding training programs in the CBRNe field.

A unique opportunity to understand the architecture of this immersive environment, the technologies deployed, and the educational philosophy behind each training scenario.

A special moment to engage directly with the designers and instructors.

ACTIVE PARTICIPATION IN TRAINING SESSIONS

[A full immersion at the heart of the action – From Tuesday 17 to Thursday 19 June](#)

Throughout the event, you will be fully involved in immersive and progressive training sessions.

You will operate directly on various technical platforms – XR, VR-Real environment, OCM and SCM cells – to experience a wide range of realistic scenarios tailored to your operational or decision-making role.

This pedagogical progression will culminate in a final coordinated exercise, engaging all participants in a real-time simulated crisis situation. Led by expert instructors, these sessions foster engagement, collaboration, and the practical application of key skills.

ROUND TABLE

[Shared perspectives, common challenges – Thursday 19 June 2025 \(5:00 PM\)](#)

Take part in a strategic discussion on today's key issues related to the CBRNe threat.

High-level speakers will share their insights and feedback in a format combining round table discussions, presentations, and audience interaction.

This conference aims to foster a shared understanding of the challenges ahead and strengthen the community of committed stakeholders..

CLOSING CEREMONY – FAREWELL DRINK

[A moment to celebrate the shared experience – Thursday 19 June 2025 \(6:00 PM\)](#)

Wrap up this edition with a friendly farewell drink, in a relaxed and welcoming atmosphere.

This informal gathering will offer a chance to reflect on the highlights of the week, thank all participants, and celebrate the collective energy deployed throughout the event.

GENERAL PROGRAM

OPTIONAL ADD-ON EXPERIENCES (WITH ADDITIONAL COST)

ICEBREAKER

Informal kickoff, lasting connections – Monday 16 June 2025 (6:00 PM)

Before diving into the core of the training sessions, join us for a warm and informal Icebreaker with an Alsatian touch.

This gathering is the perfect opportunity to meet other participants and exhibitors, make your first connections, and create a positive group dynamic—all in a friendly and authentic atmosphere.

Regional specialties and local discoveries will be featured, reflecting the true spirit of Alsatian hospitality.

GALA DINNER

Alsace in the spotlight, excellence in sharing – Wednesday 18 June 2025 (7:00 PM)

This dinner brings together distinguished guests, speakers, and partners for an exclusive yet convivial moment, celebrating refinement and Alsatian gastronomy.

Designed as a key highlight for recognition and privileged exchanges, the dinner offers a perfect setting to continue discussions initiated during the event, in an elegant atmosphere conducive to lasting connections.

The menu, crafted by a local chef, will showcase exceptional products and refined takes on classic regional cuisine.

ALSACE ESCAPES – BETWEEN CHARMING VILLAGES AND HISTORICAL HERITAGE

A discovery interlude in partnership with Alsace Original Experiences

Take a moment to explore Alsace differently, through two carefully designed tours combining authenticity, heritage, and inspiration.

Set off to discover emblematic Alsatian villages, ranked among the most beautiful in France, or dive into the military heritage of a historic site steeped in memory.

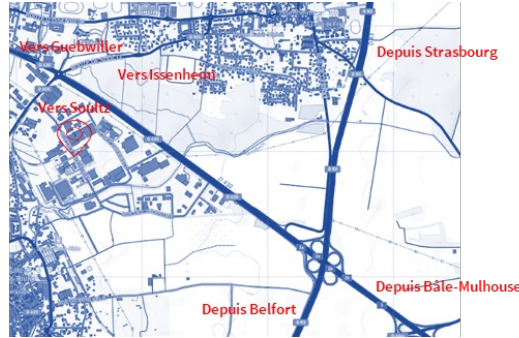

Two discovery tours are offered, departing from the ViRTEX Center at 4:00 PM:

- Tuesday 17 June: Alsatian Villages Tour
- Wednesday 18 June: Military Heritage Site Tour

REGISTRATION FORM

Documents to be attached:

- A photograph of each person attending, for access badge creation
- A proof of identity for each person attending

Personalised badge issuance:

Upon arrival on site, each participant will receive a personalized name badge indicating their name, affiliated organization, and status within the event.

This badge is required to access the various areas of the site and to take part in the scheduled activities. It also helps facilitate interactions between participants, speakers, and organizers.

Final Registration – Payment

This registration form does not automatically guarantee your participation in the exercise.

ERTC Center reserves the right to adjust the number of participants based on registrations, in order to ensure optimal involvement for each attendee in the first VIRTEX exercise.

After reviewing your application, a confirmation will be sent to you along with an invoice.

Payment of this invoice will serve as your final confirmation for participation in the exercise. Payment must be made by bank transfer only, to the account details provided on the invoice.

Note: If you choose to take part in the optional visits, a separate invoice will be issued by Alsace Original Experiences.

Prices – Value Added Tax (VAT)

All prices are stated in euros, excluding VAT. VAT will be applied at the applicable rate.

If you are eligible for VAT exemption (in particular, EU public sector institutions), please inform us at the time of registration and provide the necessary supporting documents.

Companies subject to VAT and established within the European Union (excluding France) may benefit from the reverse charge mechanism, provided they supply a valid intra-community VAT number.

In the absence of proper documentation, VAT will be applied by default.

Section reserved for partners and exhibitors

This section is intended for companies and partner organizations with a booth or demonstration space at ViRTEX 2025.

It is aimed in particular at:

- industries and suppliers of CBRNe solutions,
- developers of immersive or training technologies,
- companies active in the fields of safety, protection, decontamination, or crisis management.

Each exhibitor will benefit, depending on the chosen package, from a personalized space, a named badge, and dedicated time slots to showcase their products or services, especially during the Industrial Day.
